

Had a change?

It's time to tell us!

Tell us straight away about any changes that might affect the amount of Housing or Council Tax benefit you get.

If you don't tell us about a change and we pay you too much benefit, you will have to pay it back. The longer it takes you to tell us, the more money you will have to pay back, so please tell us as soon as possible.

Tell us if:

- You or anyone you live with has started or stopped working
- You or anyone you live with has had a change in income
- Anyone has moved in or out of your household
- Your rent has changed
- You or anyone you live with has started or stopped getting Job Seekers Allowance, Income Support or any other benefits

These are just some of the changes we need to know about. If you are not sure whether we need to know about a change you've had in your circumstances, ***please tell us anyway!***
